Maximum Marks	5 Marks

Code-Layout, Readability and Reusability:

This document evaluates the quality of the codebase in terms of its structure, readability, and reusability. Well-organized code with proper naming conventions, comments, and modular design ensures that the project is maintainable and can be extended or reused in future development.

Code Layout Checklist:

S.No	Code Quality Parameter	Description	Followed (Yes / No / Partial)	Remarks
1	Consistent Indentation	Uniform spacing/tabs used throughout the code	Yes	Consistent indentation & formatting maintained.
2	Proper File Structure	Files and folders are logically organized	Yes	Proper folder and file structure followed.
3	Meaningful Variable Names	Variables reflect their purpose clearly	Yes	Meaningful variable names used throughout
4	Function / Method Names	Functions are descriptively named	Yes	Functions named based on their purpose
5	Code Comments	Inline and block comments explain logic	Yes	Comments added for important modules
6	Modular Design	Code is split into reusable functions / modules	Yes	Modular architecture with separate components.
7	No Redundant Code	Duplicate or unused code is removed	Yes	No unnecessary or duplicate code.
8	Error Handling	Exceptions and errors are handled gracefully	Yes	Basic exception and error handling implemented.

Reusable Components / Modules:

S.No	Component / Module Name	Language / Technology	Where Reused	Reusability Level (High / Medium / Low)
1	User Input Module	Python	Event details processing.	High

2	Wikipdedia Verification	Wikipdeia API	Fact checking	High
3	Conversation Generator	Python+GPT-2	Suggestion generation	High
4	History Manager	JSON+Python	Store/Retrieve history	Medium
5	Feedback Manager	Python	Feedback module	Medium

Overall Code Quality Assessment:

Aspect	Rating (1-5)	Comments
Code Layout & Structure	5	Modular project structure
Readability	5	Code is easy to understand
Reusability	5	Modules reused efficiently
Documentation / Comments	4	Easy to update and extend
Overall Score	4	Sufficient documentation available
